A MESSAGE FROM THE PRESIDENT

The word "Trevecca" has its origin in the name "Rebekah," who became the wife of Isaac. Therefore, Trevecca appropriately means the chosen of the Lord to become the Bride when Jesus returns for the Marriage Supper.

The background for our college being named "Trevecca" was a school in Wales. This school was started on the Trevecca (Welch) Estate in 1767. John Fletcher was its first president, and John Wesley did the preaching in the opening school revival. Charles Wesley led the singing, using songs of his own composition. The Trevecca Estate was named for the daughter (Rebecca) of a prominent Welchman approximately two hundred years prior to the opening of that school. The school was in operation four or five years ago and prob-

ably is at the present time. The probable reason for Brother McClurkan choosing the name for his college in Nashville was the visit of Rev. G. Campbell Morgan and the feeling that the school in Wales had at one time been the type of institution that Brother McClurkan wanted his school to be.

Trevecca's annual was named "Darda" in 1924. The meaning of the word was stated to be "the pearl of wisdom." The name is found in I Kings 4:31. "Darda" was the name of a man who was considered among the four wisest men in his day and yet was not as wise as Solomon.

I trust that Trevecca and its yearbook will ever measure up to the meaning of their names.

Business Manager

"Somebody said it couldn't be done,
But he with a chuckle replied
That "maybe it couldn't," but he would be one
Who wouldn't say so till he tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and he did it."
For those who give up in the thick of the fight
Have only themselves to blame
If they feel no whit of the keen delight
In successfully winning the game,
The game that calls on the heart and head,
The best man's strength and nerve;
He proved that it can be done by the man
Whose business it is to serve.

Victor, Carol, Mr. Richardson, Mrs. Richardson and Mary
Beth at home.

Son of Mr. and Mrs. Francis F. Hemmerly

Born October 3, 1936

Died October 19, 1956

In perfect honor, perfect truth,
And gentleness to all mankind,
You trod the golden paths of youth,
Then left the world and youth behind.
Ah, not! 'tis we who fade and fail—
And you, from Time's slow torments free,
Shall pass from strength to strength and scale
The steeps of immortality.

JIMMY LEE AARON

Son of Mr. and Mrs. Orville L. Aaron

Born September 17, 1934

Died September 1, 1956

The death-change comes.
Death is another life. We bow our heads
At going out, we think, and enter straight
Another golden chamber of the king's,
Larger than this we leave, and lovelier.
And then in shadowy glimpses, disconnect,
The story, flower-like, closes thus its leaves.
The will of God is all in all. He makes,
Remakes, for His own pleasure, all.

Time was when we thought of Trevecca only as a distant place—a goal for the future perhaps, but seemingly far removed from us. However, the sands of time moved more rapidly than we realized, and at last we found ourselves, the largest freshman class in history, in a strange new place, confused, and a trifle homesick. Time, fleetingly passing, soon obliterated those nos-

taligic feelings, and right away we felt an important part of our new school home. Memories are many — the hardships of orientation, the fun of freshman night, the Christmas Party, and just living — but now as we leave the past, and with eager faces turn toward the future, we anticipate the prestige which will come with the acquisition of the title, Sophomores!

Even before registration was over our heads were awhirl with ideas for the busy year ahead. True to our last year's reputation for cooperative planning, our large class meetings were a perpetual surprise to everyone. Acquiring the traditional role of "big brothers and sisters," we kept the Freshmen buzzing with excitement during our Get-acquainted Program, Banquet and the hectic week of orientation activities. An important and exciting event in our

busy whirl of activities was the preparation of a brain-teasing cake code which baffled the Freshmen. Time rushed by, and we found ourselves in the middle of preparations for the Valentine Banquet—a great success. Now, with a bit of wistful memory, we are ready to don the more dignified garments of upperclassmen and take our place as Juniors to make T.N.C. a better college with our best effort and prayers.

This has been a busy and eventful year, and our book of memories contains such things as the mock presidential election, the Halloween party, and endless activities which seemed to require a major portion of our extra-curricular time. Our boys demonstrated their physical prowess by winning first place as football champions; we remembered the all-important spiritual side of our lives with early morning prayer

services in the chapel, and our dramatic ability was demonstrated in our one-act presentation, "The Lamb in the Window." Time has passed swiftly with our full schedule, and with busy preparations for the Junior-Senior Banquet we find that we are standing on the threshold leading to our last year at T.N.C. These have been three wonderful years, and we pray that the next will be the best ever.

"Backward, turn backward, O time in your flight," was our feeling at times as we realized too often that very soon we would be going out from T.N.C.—leaving behind the Christian fellowship and spiritual atmosphere which we had come to depend upon so much. Our activities, sandwiched in with harder assignments, comprehensive cramming, planning for invitations, graduation, and all that it means to be a Senior,

included the Student-Faculty Reception, Friday night programs, and the very important Thanksgiving Banquet. Now, during these last few days, we stand ready to go out to our chosen fields — some to teach, some to preach — all to work for God wherever He would lead, and we pause to express gratitude to those who have made possible our unforgettable span of time at T.N.C.

Morning, high noon, twilight's tranquility.
And then the peace the honeyed evening brings
With the large moon and old rememberings
Of work and play; of studies, hard and long;

Hot humid days relieved by breezes cool,
Whisperings of happy days we spent in summer

Great things are happening now that Trevecca College has a department of Education and Psychology and the school is recognized by the State of Tennessee as a four-year teacher-training institution. The winter quarter marked the beginning of student-teaching in our own high school. Ruth Johnson and Bill Kerns are

Among the memories of school days Trevecca students will cherish are those times which are spent in chapel. The warmth and glow of the Divine in our midst make it the most elevating hour of the day. We sit at the Master's feet, and truly new fervor and peace fill our soul. In years to come we will think back over the moments we spent in chapel and remember those times as unforgettable periods. Though we depart to the East, or the West, the Christian fellowship and love which we received will follow us, and hold us steady in years to come.

Christian Workers Association is composed of those students who take an active part in Christian work. Weekly they are engaged in services at the rest homes, jails, juvenile courts and workhouses. There are about one hundred active members taking

part in these services. Men and women of all walks of life are reached through the ministry of this group. Quoting Dr. Mackey, "As Christian Workers go, so goes the spirituality of Trevecca College."

neglecting Christ's command to visit the sick and afflicted. The Street Services are of special value to the people of the city, and many victories are reported through this avenue of Christian work.

Trevecca's Ministerial Association is a very important factor in the spiritual life of our campus. Consisting of all those who anticipate full-time Christian work, its leaders and members endeavor always to maintain a high spiritual level in our school. Our hearts have been warmed and enlightened by the student preachers who were presented in chapel by the Association; we have been reminded of our responsibility to foreign missions in the annual Thanksgiving offering, and the daily noon-day prayer meetings have been a blessing to many, emanating an atmosphere conducive to higher Christian living and service. The Association meets quarterly for a luncheon, usually with a guest speaker.

MISSIONARY PRAYER BAND

The primary aim of the Missionary Prayer Band is to inspire young people to dedicate themselves to the cause of missions. Many of Trevecca's young men and women have felt a definite call to a foreign mission field, and the Prayer Band offers encouragement and strength to all such. Emphasizing also the need for those who will pray and give, the group strives to bring them face to face with the needs of the mission fields so they may be intelligently, as well as spiritually, acquainted with our missionary program. Weekly meetings for intercessory prayer and giving are a blessing to many here, and radiate even "to the uttermost parts of the world."

THE CHOIR

The choir, under the capable direction of Professor Unruh, has placed itself high in the field of religious music. Any student may well aspire to be a choir member for it is an honor indeed.

Besides making various public appearances throughout the city the choir completed a tour of the northern states on our educational zone.

Not only the beautiful music, but the spirit in which the choir sang as they represented our college, will be long remembered by all who heard them.

Many Nazarene young people first become acquainted with our college through the efforts of our musical groups which go out under the supervision of Rev. C. E. Keys, field representative. During the winter quarter a ladies' trio and a men's quartet visited the state of Florida. Others represented our college in various weekend trips during the year. Several groups will go out during the summer to stimulate interest in our young people to attend a Christian college in the future.

The master organization of all student activities is the Student Council. Its function is the coordination of student activities with that of the college. At the beginning of the year it directs the organization of the clubs for the school year and plans the Friday evening programs. A revised student handbook was also published this year.

Because of lagging interest in sports the athletic activities of the college were reorganized into societies instead of the class basis of competition with the formation of the Trevecca Athletic Association. As a project this year the Council adopted a plan of fire prevention.

This year's Student Council Lectures were given by Dr. Haldor Lillenas, song writer of world-renown in the Nazarene Church.

Time . . . an all important factor in everyone's life has become a matter of special eminence this year in the presentation of the 1957 DARDA.

The DARDA Staff perhaps more than anyone else realizes the necessity of making every second count as we worked tirelessly to bring together the culmination of all the year's activities which have come alive in these pages as we recaptured the fleeting moments of this school year.

Without a loyal and hardworking staff the 1957 DARDA would have remained only a fragment of the editor's imagination. My sincerest thanks go to those who helped make it a reality. As I look through these pages I see the results of **Harley's** camera flashes; **Ruth's** literary genius; **Wesley's** artistic touch; the tireless typing efforts of **Roberta, Barbara, Jo Lynn, and Lucille**; **Norma Jean's** skilled organization; **Lee's** promotional ability; **Corky's** business techniques; **Rudy's** snaps, and **Jim's** untiring efforts and cooperation in aiding me to guide the **1957 DARDA** to its successful completion.

We present this book to you in the hope that "times" at "dear ole T.N.C." will be lived and relived in your hearts through the coming years.

This year marked a milestone for the **Trev-Echoes** staff as it published the largest paper in the history of the college. Under the direction of Janey Little, editor, the paper has presented student life in all its different phases, not only for the enjoyment of those on campus, but as a challenge to our friends, parents and those who are looking forward to coming to Trevecca.

From their new location in the Fine Arts building, Jack Phillips, business manager, supervises circulation of about 800 papers, as well as the increasing amount of advertising.

Hats off to this year's staff for a job well done!

This year marked a major transition in Trevecca's athletic program. The student body voted to reorganize the entire athletic association. The purpose of the change is to equalize the competition which was previously dominated by the Upperclassmen. Three societies were formed at the beginning of basketball season—Tau Alpha, Tau Beta, and Tau Delta.

Bill Strickland took over the leadership of the newly-formed T.A.A., succeeding Harold Hughes, who successfully served the M.A.A. for a year and a half.

Hiking, volleyball, basketball and softball—these are the activities of the Girls' Athletic Association. Aside from enjoying the wholesome recreation, vigorous exercise helps the girls stay trim and healthy.

FELLOW STUDENTS:

Our days at Trevecca have drawn to an end, and with fond regrets mingled with eager anticipation, we close another chapter in our lives and step into an unknown tomorrow—better equipped for having spent four wonderful years at "dear old T. N. C."

BOOSTERS CLUB

This year as in the past your staff has endeavored to provide students, faculty, and friends of T.N.C. with a true representation of life as we have lived it at Trevecca in 1955-56. Although the persons whose names appear below did not sit in classes, attend chapel, eat in the cafeteria nor witness our athletic events, they did contribute to the success and happiness of us who enjoyed these opportunities. They are BOOSTERS OF THE YEAR FOR T.N.C.
